

Blodslitet 2010

The 43rd Blodslitet will be held by Fredrikstad Skiklubb on Saturday 16th October 2010.

Status

The race is World Ranking Event as well as the final of the Craft Cup for seniors and juniors.

Map

Kråkerøy, scale 1:7500/1:10 000/1:15 000, contour interval 5m, last updated 2010.

Terrain

The terrain is a typical coastal terrain with small and steep hills. The runability is good on the hills, but less good in between. The terrain is embargoed until 16th October. The embargoed area can be seen at www.orientering.no. Blodslitet was held in the same terrain in 2000.

Entry

Entry on www.blodslitet.no. The entry deadline is 5th October. Late entry in ordinary classes is accepted until 12th October but costs an additional 150 NOK. After 12th October entry on the day is possible depending on the number of spare maps available. For the open classes H/D /N-Åpen entry on the day is available right up until one hour before the start. All classes will use EMIT punching and EMIT- bricks can be hired for 50 NOK.

H/D21- and H/D17-20 shall not use display bricks. Remember to add hired bricks at entry.

Directions

The event will be signposted from the crossover highways 110/108 in Fredrikstad. From here it is 5km south to the event centre at Kråkerøy junior high School. It is about 600m walk from the car parking to the event centre.
