### **Number bibs**

All runners are required to wear number bibs well visible. They will be available in the team bag.

### **Team bag**

Rented emit cards, backup labels, number bibs and maps for the runners in D/H11-12 and N Åpen are in the team bag. Check that the correct emit card number is according to the start list. Errors should be reported to the event office (løpskontoret) before start.

Rented emit cards for runners in D/H21-, D/H17-18 and DH19-20, who are entered with display emit cards, are also in the team bag.

Rented emit cards should be returned by club to the event office. If failing to do so, or returning a damaged emit card, the club will be charged for the cost of a new one.

The maps for the D/H11-12 and N Åpen are only copies. The runners will get a new map on the start line.

### **Runners in NM-classes (Norwegian Championship): EmiTag, gps and display cards**

All runners in D/H17-18, D/H19-20 and D/H21- must run with an EmiTag. The tag is available in the tent close to start.

Some selected runners will run with a gps. Gps-units will be available in the tent at the start.

Runners in NM-classes must not use display cards. Rented emit cards are in the team bag.

Some selected runners in D15-16 will also run with a gps-unit.

### **GPS-tracking at large screen and internet:**

It is not allowed to get information about the map or courses by using electronically facilities during the competition. No maps are allowed at the arena. GPS-tracking will be shown at the large screen.

### **Start**

All runners must activate their emit cards before entering the start area. Runners failing to activate their emit card, will be disqualified.

There are mass start in all classes. Maps are marked with the number of the runner. The runner is responsible for taking the right map. The marked route to the start point is compulsory to follow.

### **Splitting system**

There is no splitting system in N Åpen, D/H11-12, D/H13-14, D65- older and H75- older. D/H21-, D/H17-18 og D/H19-20 will first run 2 forked short loops, while H21- will run 3 forked short loops, with a map exchange after each loop. New maps are available at the map stand. Remember to take the right map according to your start bib. Map for the last loop in D/H17-18 and D/H19-20 are available from marked boxes at the end of the map stand.

«Butterflies systems» are used for splitting in other classes.

## Refreshment

Drink station will be available on the arena, when changing maps. There will also be drink stations in the forest, marked by a cup symbol on the map.

## Controls near the arena

There will be 3 different last controls, so checking codes will be essential.

## Out of bounds

Forbidden areas are marked on the maps using the out-of-bounds symbol. Running through forbidden areas will lead to disqualification.

## GPS-watches

It is forbidden to use gps-watches in D/H21- (acc. To IOF rules)

## Finish

All runners in the ordinary Blodslit must punch the emit unit after crossing the finish line. The runners in the NM-classes have a separate finish and the time will be registered when passing the finish line.

## Last finish/map change

Finish will close at 15.30. Runners realizing they will not complete the race before this time, are required to give up the race, get back to the arena and notify the finish. Runners that have not passed the last map change by 14.00 will be required to end the race.

Followers to runners in N Åpen must not pass the finish line.

## Retired runners

Retired runners must return the backup card in the event office.

## Open class

The open classes and D/H11-12 are open for entries until 1h before start.

## Prizegiving ceremony

First prizegiving ceremony will be held around 12:30. A sprint prize «Sløyfeprisen» will

be given to the one leading the race before entering the last long loop.  
Prizes must be collected at the arena.

**Badges for completed Blodslitet**

Specially made pins are available for runners completing their 1.st, 5.th and the every 5.th time.

**Children's park**

Children's park (with supervision) is available at the arena.
